²¹ Keep the Park Clean!

We encourage our kids to keep the park clean. Our Parks Department does an excellent job maintaining the property and the pool areas. Children should pitch in and help keep our park clean by throwing out their trash and cleaning up whenever they leave an area.

Discipline

Each year we try very hard to provide the best possible recreational program for your child. We know that sometimes kids have a bad day. We try to be patient and we will speak to children about their inappropriate behavior. Most times we can resolve the problem. Yet, there may be times when it will become necessary to contact parents to help resolve the issue. If a child continues to misbehave it may be necessary to keep your child home until his or her behavior improves.

Discipline Code:

Campers are expected to maintain a high level of discipline and respect towards the directors, counselors, parents, and each other. The following is the policy of the camp if these standards are not met!

- 1) Counselor will take the child aside to discuss the incident and how the child can fix/change the negative behavior.
- 2) If the behavior continues then the child may be removed from the activity until the counselor feels he/she is ready to return.
- 3) If the negative behavior continues the counselor will notify the Recreation leader about the situation. The Rec leader will speak to the child about the behavior and take appropriate action which may include a phone call home.
- 4) If the action of the child is severe (fighting, destruction of property, abusive/offensive language), the camper may be suspended from camp.

AT NO TIME CAN A COUNSELOR OR ANY STAFF MEMBER USE CORPORAL PUNISHMENT WITH AN UNRULY CHILD. NOR MAY A COUNSELOR OR STAFF MEMBER USE LANGUAGE OR THREATS ON A CHILD. IF SUCH ACTIONS OCCUR, IMMEDIATE DISCIPLINARY ACTIONS WILL OCCUR.
