at Patriot Hills

Jimmy lost his life at the hands of a
hit-and-run driver in Pearl River on May 31, 2009.

His killer has still not been found.

For the last 13 years, we have been honoring

Jimmy's love of life by

saving the lives of others through blood donation that some
good may come of this awful tragedy.

Over these 13 years, Jimmy's legacy has
continued to motivate others to donate.

Jimmy would be proud of the 2082 blood products that these blood
drives have produced so far,

which have gone on to touch so many lives!
