2 1 Proceedings 2 3 CHAIRMAN GUBITOSA: All right, let's 4 stand for the Pledge. 5 (Whereupon, the Pledge of Allegiance was 6 recited.) 7 CHAIRMAN GUBITOSA: All right. Let me 8 just clear out my thing here, and then we'll 9 take it. All right. 10 For the roll, Mary, I'll just call it. 11 I think Eric, you're here. Jerry's here, 12 Gene's here, Mark's here, Kerri's here. 13 think that's all. And Mike is here. 14 we're all there. The whole Board is present. 15 All right. At this time, like Steve 16 said, he's going to mute everyone that's not 17 a Board Member or a consultant and your 18 videos. And then when we open the public 19 hearing, he'll go ahead. And then when the public hearing is open, we'll -- Steve will 20 21 recognize you and you'll get three minutes to 2.2 see. 23 So the first item on the agenda is 24 Town Line, and this is a continued public

hearing. So Dave, I know -- hang on. I know

25

1	Proceedings	
2	we got some things going on. So, where are	
3	we? Give us a quick update.	
4	MR. ZIGLER: Okay. Basically, as we	
5	discussed at the workshop, we have comments	
6	from John O'Rourke on the engineering	
7	comments on the offsite. We have an	
8	agreement on placing an easement over the	
9	improvements off site that will extend the	
10	easement from the end of Holt all the way	
11	north to 30 Holt, and that will cover the	
12	drainage pipe. And we also have some	
13	comments from Max about some landscaping	
14	things.	
15	So we're going to put those items	
16	together in a new set of plans and submit	
17	that for next month, and hopefully, then get	
18	final. We've made no other changes to the	
19	plans. We have no other comments from any	
20	outside agencies. And that's about the	
21	summary.	
22	CHAIRMAN GUBITOSA: All right, good. I	
23	know before I John, John O'Rourke. Like	
24	he said, I guess I saw your updates and	
25	everything. Any comments?

2 MR. O'ROURKE: No. We reviewed them 3 with Dave's office. Dave -- basically, 4 they're minor comments. He's going to 5 address them all, and again, make the whole 6 resubmission with both the offsite and the 7 on-site in one set of plans. And then 8 they're going to create some notes for 9 maintenance of that line as well. So the 10 only issue I think we have is just Steve and 11 their attorney, just to nail out any easement 12 issues and make sure they're okay with it. 13 But engineering-wise, we're set with both 14 on-site and offsite. 15 CHAIRMAN GUBITOSA: Okay, good. 16 I'll open the public hearing. What I'll do 17 is I'll open the public hearing. And then I 18 know Max had sent me an update with the, we 19 had the neg dec. So we could probably --2.0 I'll go to Jonathan. You're over there. 21 MR. LOCKMAN: Yeah. 2.2 CHAIRMAN GUBITOSA: For the -- I know 23 Max had said for the neg dec everything, you 24 know, there's for this, for the project

changes, there's no result in the adverse

1	Proceedings
2	impacts. And the original, like, 2007
3	negative dec should remain the same. And I
4	know that he said with the drainage
5	improvements, and they're offsite and it's
6	this makes it a Type II and not subject to
7	SEQRA, so.
8	MR. LOCKMAN: That's right.
9	CHAIRMAN GUBITOSA: So, let me ask you
10	this. So at this point, we could just
11	with the, with the neg dec, we could
12	either I'll ask the Board. We can either
13	adopt it tonight or wait until next week.
14	But we'll keep the public hearing open.
15	BOARD MEMBER KRAESE: Well, let me, let
16	me let's start with just the neg dec. Why
17	don't we just adopt the neg dec tonight?
18	CHAIRMAN GUBITOSA: Right. All right.
19	BOARD MEMBER KRAESE: And let's where
20	we're at with the public hearing.
21	CHAIRMAN GUBITOSA: All right. We'll
22	so this is the neg dec, that this was from
23	2007. We're just going to adopt it again
24	tonight. So if there's no questions on that,
25	based on John's comments, Max's comments,

    everything going on, so I need a motion to
3
    adopt --
 4
         MR. LOCKMAN: Well.
5
         CHAIRMAN GUBITOSA: Go ahead.
6
         MR. LOCKMAN: Rather than -- I wouldn't
7
    necessarily call it adopting the one,
8
    previous one again. But adopt this amendment
9
     to it, which is dated March 25, 2021.
10
         CHAIRMAN GUBITOSA: All right. All
11
    right, good. So I'll make a motion that we
12
    adopt the amended neg dec dated March 25th,
13
    right?
14
         MR. LOCKMAN: Correct.
15
         CHAIRMAN GUBITOSA: All right. I have a
16
    motion to adopt the neg dec. Can I get a
17
    second?
18
         BOARD MEMBER KRAESE: I'll second.
19
         BOARD MEMBER ALESSI: I'll second.
20
         CHAIRMAN GUBITOSA: All right, Kerri and
21
    Gene. All right, I have a motion and a
2.2
    second. Any discussions on it? All right.
23
     I'll just -- Mary, just poll the Board on it.
24
    We'll just see.

         THE CLERK: Mr. Kraese? Mr. Rogers?

9	THE CLERK: Mr. Ferguson?	
10	BOARD MEMBER FERGUSON: Yes.	
11	THE CLERK: And Chairman Gubitosa?	
12	CHAIRMAN GUBITOSA: Yes. All right. We	
13	have the neg dec we adopted. So I'll open	
14	the public hearing. And like Steve said, if	
15	you have any comments, just raise your hand.	
16	He'll unmute you, set your video. So we'll	
17	just open the public hearing if any of you	
18	comments. Steve, can you mute everyone?	
19	MR. HONAN: Yes. I can unmute them as	
20	they come up. Let me just see if anyone's	
21	raising their hand.	
22	I see no one looking to participate, but	
23	let me just double check. No, I have no

         BOARD MEMBER ROGERS: I'll make that

    motion.
7
         CHAIRMAN GUBITOSA: All right, Jerry.

12
          (Response of aye was given.)
13
         CHAIRMAN GUBITOSA: Opposed? All right,
14
    we'll close the public hearing. So, Dave, I
15
    guess we'll see you next month.
16
         MR. ZIGLER: Yes, at the workshop.
17
         CHAIRMAN GUBITOSA: At the workshop.
18
    And I know we, would be the revised plans and
19
    all that. All right. Good.

         MR. ZIGLER: Yup. Prior to that.
21
         CHAIRMAN GUBITOSA: All right. Thank
