**PUBLIC INPUT**

Supervisor Monaghan stated public input is an opportunity for the public to address the Town Board. Any resident who does not wish to attend a town board meeting in person may also submit public input via email. Unfortunately, here in Stony Point and in other municipalities individuals have made defamatory remarks against private citizens and discriminatory comments. No matter who or what the content is we do not broadcast public comments on our Facebook live feed. Our Facebook live feed will resume after the public input portion of the meeting is over.

George Potanovic- 597 Old Gate Hill Road, Pres SPACE, stated that he had spoken at the last meeting regarding holding the meetings on ZOOM and his statement was not broadcasted on Facebook Live. His organization has retained an attorney and Mr. Potanovic read the letter sent to the Supervisor by said attorney stating that refusal to air George Potanovic's public input to the Town Board and not allow the public to hear what his input was is an unconstitutional instinct.
